WELCOME TO HR VISTA 3.0

WHERE INDIA'S HR COMMUNITY COMES TOGETHER

HR VISTA 3.0 is the flagship Human Resources conclave of CHRIST (Deemed to be University), Pune Lavasa Campus, bringing together the people shaping the future of work.

Following the momentum of HR VISTA 2.0, the third edition is envisioned on a significantly larger scale — bringing together **500+ HR professionals, business leaders, industry experts and corporate representatives** for two days of conversations, perspectives, connections and ideas.

From evolving workplace cultures and AI-led transformation to leadership, talent, employee experience and the changing nature of work, HR VISTA 3.0 creates a platform for meaningful dialogue between academia and industry.

Two days. One ecosystem. A future of work in focus.

- **500+**
  HR professionals and corporate leaders expected
- **2 DAYS**
  Of conversations, insights and networking
- **50+**
  Organisations and industry representation expected
- **1 PLATFORM**
  Connecting academia and industry
- **VENUE TO BE ANNOUNCED**
  Setting and location details will be shared once confirmed
- **21-22 NOVEMBER 2026**
  The next chapter of HR VISTA

Participation figures are expectations and remain subject to confirmation.

2 HR VISTA 3.0 AT A GLANCE

3 ABOUT CHRIST UNIVERSITY

Nestled in the serene hills of Lavasa, the campus represents transformative education, blending academic rigour with experiential learning. Established in 2014, it is known as the "Analytical Hub" of CHRIST University, offering programmes that integrate analytical expertise with traditional disciplines.

Surrounded by natural beauty, the campus fosters holistic student growth through expert faculty, modern facilities, and a strong culture of diversity and collaboration. It offers Undergraduate, Postgraduate, and Doctoral programmes across Management, Law, Commerce, Arts, and Science, with specialisations in Business Analytics, Financial Analytics, and Data Science.

Beyond academics, the campus provides an ideal setting for leadership development, corporate retreats, and hands-on experiential learning.

FROM A CAMPUS INITIATIVE TO A CORPORATE HR PLATFORM

HR VISTA was envisioned as a platform where emerging business leaders and the HR community could come together to understand the evolving world of people, organisations and work.

HR VISTA 2.0 strengthened this vision through meaningful industry engagement, expert perspectives and conversations around the future of Human Resources.

The third edition takes this vision forward.
HR VISTA 3.0. Bigger. Broader. More connected.

HR VISTA 3.0 aims to bring together a diverse cross-section of India's HR ecosystem, from established enterprises and global organisations to emerging leaders and future-ready professionals.

The focus is on understanding how organisations can build the people, cultures and leadership capabilities required for the future of HR.

4 THE HR VISTA JOURNEY

WHERE INDUSTRY LEADERS MEET

HR VISTA 3.0 is designed to create meaningful interaction across industries and functions.

The event is expected to feature participation from professionals and organisations including:
